

## OPUS for Chris Thompson

**Tribe:** Men, women and children around the world that are called by God according to His purpose and plan, chosen by God to edify the Body of Christ and ordained by God to become ministers of reconciliation.

**Cause:** Awaken the tribe to God's plan and purpose for their lives, and stir up the dream that is within them. Enlighten, encourage and empower them to step into their calling and destiny

**Space:** A world where grace, mercy and brotherly love are the norm and not the exception. A space where God's people walk in their gifting and calling, anointed to heal and mend the down trodden and broken hearted, anointed to break the yokes of bondage and set the captives free, anointed to overcome the darkness in the world around them and let the light of Jesus shine through their souls.
